

Essentials of a resident of Babilon Student's House in the academic year 2023/2024

Dear student's it is a pleasure to welcome you to our dormitory. Please familiarize yourself with the rules that apply to residents of our house:

- 1.) Each time you enter the dormitory, you must show your resident card or other identification document. Lack of document will result in not being allowed into the building.
- 2.) Curfew is in effect from 11:00 p.m. to 6:00 a.m.
- 3.) Student may receive a guest **until 11:00 p.m. (No visits after this hour)** each time leaving the resident's card at the gatehouse (reception) until the guest leaves. If a guest remains after 11:00 pm the stay is considered an overnight (for details, please refer to the Students House Regulations available on the internet and in the reception or at the administration.)
- 4.) Throughout the building (including rooms) Smoking of traditional cigarettes, electric cigarettes, iqos and consumption of alcohol and other banned substances is strictly forbidden in the whole building.
- 5.) The use of electric stoves, electric ovens and other devices with high power consumption in the rooms, because the electrical system is not adapted to such a load and this will result in the shutdown of electricity on the entire floor.
- 6.) Meals are prepared in the kitchens only. Waste after meal preparation should be segregated into the garbage cans located in the kitchen. Garbage from the rooms is thrown into containers in front of the building.
- 7.) Corridors are part of the escape route from the building – Please do not put anything in the corridors in the front of the room door. This applies to both dryers and bags of garbage.
- 8.) If the fire alarm is triggered due to your negligence (e.g., leaving cooking food unattended), you may be charged for the cost of coming and carrying out the entire firefighting operation **PLN 250**
- 9.) Do not leave dirty dishes, pots and other items belonging to the student in the kitchens - left items will be removed by the dormitory staff after 24H.
- 10.) Do not leave items in other common areas, i.e. cosmetics, dry laundry in the dryer, dirty laundry in the laundry room - these will be removed by dormitory staff.
- 11.) In each of the restrooms (in the alcove behind the cabins) There are mop, bucket, broom , dustpan and ironing boards for student use. You can use them to clean your rooms. When you have finished cleaning, please bring the equipment back to your place so that others can use it. At the porter's lodge you can rent a vacuum cleaner , iron , mixer and blender and hair dryer for student use.
- 12.) All technical defects noticed in the rooms or common spaces, please report them to the facility administration (open from Monday to Friday from 8:00am - 3:00 pm) , at the gatehouse or record them in the notebook of technical defects, which is located at the gatehouse next to the vending machine.
- 13.) Any damage to property by a student knowingly through the fault of the student will result in the need to repair the damage, buy back the item or pay a fee for the damaged item.
- 14.) Each student has the right to exchange bedding once a month.
- 15.) It is absolutely forbidden to rearrange the furniture in the rooms. Moving them leads to holes in the floors.
- 16.) We invite you to like and follow Babylon Student House on Instagram and Facebook and also visit our website.

INTERNET

Each room has Internet outlets with access to the university's eduroam network. To use it you need an Internet cable and log in with your USOS login and password. If you have a problem setting up your Internet connection, please contact the UAM Information Technology Center at **61 829 26 70** or email eduroam@amu.edu.pl

Non-students of UAM are asked to contact the administration to assign a login and password to the internet

LAUNDRY

At the gatehouse there is a "laundry schedule" on which you can sign up for laundry. You choose the number of the washing machine, the day you want to do laundry and the time. On the selected date you enter your room number, then you can do laundry. A student is entitled to two washing machine reservations per week. On behalf of other users, please keep an eye on the designated times and pick up your laundry on time.

PAYMENTS

According to the concluded contract on the terms of use of a place in a student house, the rent payment must be paid no later than to the 15th of each month. . There is also a mandatory deposit of one rental fee, which everyone must pay in October. You will find bank account numbers on your agreements and in your USOS accounts under the "Payments" tab.

STUDY ROOM

Study room, a place where students can study and read in peace. It is located in the corridor in the administrative area in room 4. The key to this room is available daily at the porter's lodge. The student leaves the resident's card at the gatehouse and retrieves the key. The regulations for the use of the study room can be found on the Student House website and on the study room door.
